## Our entertainments

**In our cooperage, in your manufacture (company) or on an event** we propose unusual entertainments created for your group. Team building, special guests or simply between friends or family :

- **Challenges around the barrels** – Competition of barrel making and rolling to combine team spirit and handcrafted savoir-faire.
- **Fun and sensorial entertainments** – "Le Cercle des 5 Sens", share with your group playful games at the cooperage or rent our games for your events.

***upon request - consult us***

## Our trainings "Tonnellerie - from the wood to the wine"

- customised for professionals
- choice between different topics according to your request and wished duration

*You can contact us to discuss on your needs and get a personalized offer .*
